3 The passage describes ways in which game and cattle face health and poaching problems, as well as ways in which game ranches can be stocked.
Write a summary of how ranchers keep the game healthy and safe, as well as the process through which ranches are stocked.

Use only material from paragraph 14 to the end of paragraph 21.

Your summary, which should be in continuous writing (not note form), must not be longer than **160 words**, including the given ten (10) words. Each word should be written in a separate box. If you make a mistake, cancel the word(s) and write the correct word(s) in the same box(es) above or next to the cancelled word(s).
